15816 Beth Shields Way, Ruskin, FL 33573

**September 23** - Providence Skate Park  
5720 Providence Rd., Riverview, FL 33578

Residents must present a valid photo ID showing residence in Hillsborough County to receive fish.  
Limited quantities of mosquito fish will be available, while supplies last.

The County is providing fish as an effective, natural way for residents to help reduce backyard mosquito breeding and control the spread of mosquito-borne disease. They require no feeding, and care is limited to protecting them from garden sprays, chlorine, or other chemicals used for cleaning. Mosquito fish do not lay eggs and require no special environment for breeding.
