

## **Director – Beach Mosquito Control District**

The Beach Mosquito Control District (BMCD) in Panama City Beach, Florida, is seeking a visionary Director to lead its mission of protecting public health through science-based mosquito control services. The ideal candidate will bring a distinguished record in strategic planning, organizational leadership, and Integrated Mosquito Management (IMM), with at least five years of progressive management experience and a relevant Bachelor's or advanced degree. The position offers a competitive salary, comprehensive benefits including participation in the Florida Retirement System, and relocation assistance for highly qualified candidates. Interested applicants should visit the BMCD website at <https://pcbeachmosquito.com/> for full details and submit application **by Friday, February 6, 2026 to James Clauson at [james@pcbeachmosquito.com](mailto:james@pcbeachmosquito.com)**.

BMCD is an Equal Opportunity Employer and a Drug Free Workplace.
